Sir,

I have the honor to state that at present it has been the practice of levying the octroi duty of one anna on every sheep or goat brought into the Town of Chikmagalur in addition to a fee of one anna on every such animal brought for the purpose of Slaughter at the building constructed by the Municipality on a compromise to be levied in the month of June 1901, on two pleas, it was said that the income of the Slaughter house was low that that realised at the octroi Nakka on enquiry it was ascertained that the short income was due to the fact that owners of sheep and goat were called upon to bring their animals for Slaughter at the Municipal Abattoir whereby the receipts under the 2 heads during the month of June 1901 is submitted for the information of Govt

Municipal meeting convened on the
30th July 1901, when the Board resolved
that a fee of one anna shall be levied
on a sheep or goat at each of the above
named 2 places, be done away with
that in lieu thereof, a combined fee
of 2 annas be levied at the octroi
station, and that this measure be tem-
porarily from August 1901 to 1st
February 1902. A copy of the Board's
resolution also accompanies this
for reference

3 It is therefore, requested that
favor of Govt sanction to the
proposal made

Resolved that the Slaughtering fee be done away with, and instead that two annas per head per sheep or goat be levied at the octroi Kattes That this be tried for six months from August to 1st February when the matter should be again revived.

Sir

Adverting to G.O. No. 11406 of
L.R. 387-92
the 9th January 1902 stating that the two
kinds of levy of fees on sheep and goats cannot be amalgamated in fairness and directing to reconsider whether the duty on sheep and goats may be raised to the maximum of 2 annas a head as per rules, I have the honor to state that at the meeting of the Chikmagalore Municipal Board convened on the 31st March 1902, it has been unanimously resolved that the present debasi duty

duty of one anna per head should not be raised, the Government having disallowed the amalgamation of the octroi and slaughter house fees, as it was hoped, that in throwing the slaughter house open for free slaughter, it would put a stop to the present surreptitious slaughtering at present carried on in back yards which it is impossible to detect.

A copy of the Board's resolution is enclosed for the information and orders of Government.
